### Description

Our 25-Gallon food court series fiberglass trash receptacle is perfect for restaurants, food courts, and malls. With an open flat top, this trash can makes waste management easy and carefree! Featuring a heavy-duty fiberglass material with a polyester gel coating that shields and protects the receptacle from common stains, solvents, discoloration. Edges are guarded by a protective rubber strip that prevents chipping and cracking and has a recessed base to ensure stability. This fiberglass receptacle is ideal for high traffic areas due to its strength and durability. This product is 100% American made and back by our 3-year commercial warranty!
